

Sample Schedule-Algebra II Brigham Young University Algebra 55 and 57 on-line

Week 1

1. Monday, 23 June: Lesson 1
2. Tuesday, 24 June: Lesson 1 Quiz for 1st half; flash cards for 1st half; homework correction; second half of material presented.
3. Wednesday, 25 June: Lesson 1 Speedback correction; homework correction; flash cards for 2nd half of Lesson 1; Lesson 2, 1st half. Note: As discussed, this first lesson has about three times the memorization required for the subsequent 6 lessons. As Jike MUST do the final on his own, and his review process will be easier if he does actually master the material chapter by chapter, we may spend the first three sessions on chapter 1 rather than the first two, making up the time in subsequent chapters that require less memorization.
4. Thursday, 26 June: Lesson 2 Quiz for 1st half; flash cards for 1st half Lesson 2; present material for 2nd half Lesson 2

Week 2

1. Monday, 30 June: Speedback Lesson 2 correction; homework correction Lesson 2; flash cards 2nd half Lesson 2; presentation of Lesson 3, 1st half.
2. Thursday, 3 July (Note: this meeting may need to be moved to Wednesday, 2 July, 3:00pm-5:00pm because of the Holiday weekend): Quiz 1st half Lesson 3; homework correction; flash cards 1st half Lesson 3; presentation of second half of Lesson 3; start Lesson 4.

Week 3

1. Monday, 7 July: Lesson 3 Speedback correction; homework correction; flash cards for 2nd half Lesson 3 and 1st Lesson 4; present remainder of Lesson 4.
2. Thursday, 10 July: Speedback Lesson 4 correction; homework correction; flash cards Lesson 4; present $\frac{3}{4}$ of Lesson 5.

Week 4 (Double up)

1. Monday, 14 July: Quiz Lesson 5; flash cards Lesson 5; homework correction; present remainder of Lesson 5 and begin Lesson 6.
2. Tuesday, 15 July: Speedback Lesson 5 correction; homework correction; flash cards 2nd half Lesson 5 and 1st Lesson 6; finish Lesson 6
